

## CHAMBERS ROSEWOOD NV GRAND MUSCAT

**WINEMAKER:** Stephen Chambers  
**REGION:** Rutherglen, Victoria, Australia  
**VARIETALS:** Muscat a Petit Grains  
**MATURATION:** Older oak casks

### HISTORY:

For the past 40 years winemaking responsibility at Chambers has rested with Bill Chambers, Chairman of Judges at the Melbourne Wine Show since 1980 and one of Australia's most respected wine personalities. Bill has recently entrusted son, Stephen, with the care of the 'old material' – dark, unctuous fortified wine that has matured quietly in the Chambers' family cellars for more than a century.

### WINEMAKING:

In the warm fall climate the grapes ripen and shrivel on the vines producing natural sugar levels in the range of 30-36 degrees Brix. The raisined grapes are then picked, crushed and partially fermented before being fortification. Wood aging follows in a program loosely resembling a solera system, lasting, in some cases, for over 100 years. The "Grand" designation relates to both quality and age; blended from material that dates back to the First World War, these wines display impressive complexity, pronounced rancio characters and a luscious mouthfeel.

### TASTING NOTES:

Produced from Muscat a Petit Grains, or Brown Muscat as it is more commonly known, the Grand Muscat is a deep amber color with a tawny rim. It displays a complex nose of spiced fruitcake, coffee and subtle rancio characters derived from time in oak. The complex palate shows luscious prunes, dried raisins and mature peaty spirits finishing with impressive persistence.

### CRITICAL ACCLAIM:

99 pts Robert Parker's The Wine Advocate, 96 pts Stephen Tanzer's International Wine Cellar

### ABOUT CHAMBERS ROSEWOOD:

Since establishment in 1858 in Victoria's famed Rutherglen region, winemaking duties at Chambers Rosewood have been handed down from father to son through five generations. Recognized the world over for their complexity, intensity and balance, these Muscats and Muscadelles are a national relic; wines expertly crafted from unctuous material that has matured in the family cellars for more than a century.
