

## 2005 AGLY BROTHERS

### Review Summary

**91 pts** “A zesty, full-bodied red, with lush flavors of huckleberry, raspberry and dark plum. Plush midpalate, with a finish of cocoa powder and ripe cherry.”

**88 pts** “Notes of olive and bay leaves add some interesting complexity to the nose of this blend, otherwise dominated by typical red berry flavors. Ripe and rich on the palate with medium acidity and lighter tannins. The finish, dominated by beautiful notes of wild strawberries, is long and satisfying.”
