

2006 YARRA YERING DRY RED No. 1

Review Summary

WINES TO CELLAR

“The past decade has seen one of Australia’s greatest vineyards live up to its massive potential. A superlative blend of first-rate elegance, integration and harmony, this deeply scented cabernet displays a head perfume of violet, cassis, mulberry, cedar and dark chocolate, with dusty undertones and dried herbs. Underpinned by a firm but fine-grained spine of crunchy tannins, its long, deep and piercingly intense palate of sour-edged fruit and tight-knit oak culminates with a terrific, finely balanced finale of flavour, texture and acidity.”
