

## **Viognier 2005**

### **Stephen Tanzer's International Wine Cellar**

Jul/Aug 2006

#### **90 pts**

Light straw color. Incisive, crisp, varietally accurate scents of peach, ripe pear, apricot, violet, talc and minerals. Suave, silky and medium-bodied, with strong flavors of peach and poached pear. Finishes with wonderful focus and a lingering note of white peach. I find this more elegant and unadorned than the vast majority of viogniers made today from just about anywhere.
