

2009 ZONTE'S FOOTSTEP LADY OF THE LAKE VIOGNIER

Review Summary

91 pts - Best of the Best by Variety “Has altogether unexpected varietal character, with vibrant peach, ginger and (perhaps) apricot; no excess phenolics and a long finish.”

James Halliday
Australian Wine Companion
2011

89 pts “Pale yellow. Nectarine, lemon, pear and dusty herbs on the nose. Fleshy, generous and nicely ripe, but with a bracing dusty mineral quality to the flavors of citrus and orchard fruits. This juicy, dry wine finishes with lingering perfume and a hint of exotic passion fruit.”

87 pts “The 2009 Viognier presents aromas and flavors of honeysuckle, peach, and apricot. Dry and nicely balanced, it can be enjoyed over the next 1-2 years.”

Jay Miller
Robert Parker's The Wine Advocate
December 2009, Issue #186

“This has the spicy richness of true viognier but without the heaviness or excess alcohol of many. Lots of varietal character and appealing flavor, a hint of sweetness but nothing too obvious.”
